1. Eligible Employees may request a leave of absence related to COVID-19 under the Families First Coronavirus Response Act (FFCRA), which includes leaves that may be taken under the Emergency Paid Sick Leave Act (EPSL) and/or the Emergency Family and Medical Leave (EFML) Expansion Act. A description of these leaves is provided on pages 2-3 of this document.

2. To request these leaves, employees are to complete the "Request Form for Leave of Absence, COVID-19 Related". The form is available as a PDF document or as a PDF Fillable document on the Department of Human Resources website at https://employee.hr.lacounty.gov/directors-message-2/

3. Employees are to submit the completed request form to their department's Human Resources Office.
    - Employees who do not know how to reach their department's Human Resource Office can check with their supervisor or their department's Administrative Services for assistance.
    - Departmental Human Resources Offices can provide employees with the e-mail address that can be used to electronically submit the completed request form.

4. If the completed request form is being submitted electronically and the employee is unable to submit the electronic copy of the form with their signature applied, the employee may submit the completed, unsigned request form as an attachment to an e-mail from his or her work or personal e-mail address. Unsigned request forms may not be submitted from an e-mail address that is not the employee's. An employee's submission of a completed, unsigned, request form from the employee's e-mail address will be deemed as his or her certification of the information listed in the form.

Employee is unable to work or telework, and: 1) is subject to a federal, state, or local quarantine or isolation order related to COVID-19; 2) has been advised by a health care provider to self-quarantine due to concerns related to COVID-19; 3) is experiencing symptoms of COVID-19 and seeking a medical diagnosis; 4) is caring for an individual who: (1) is subject to a federal, state, or local quarantine or isolation order related to COVID-19; or (2) has been advised by a health care provider to self-quarantine due to concerns related to COVID-19; 5) is caring for a son or daughter if the school or place of care of the son or daughter has been closed, or the child care provider of the son or daughter is unavailable, due to COVID-19 precautions; or 6) is experiencing any other substantially similar condition as specified by the Secretary of Health and Human Services, in consultation with the Treasury and Labor Departments. **Note**: Under the FFCRA, a "son or daughter" also includes an adult son or daughter (i.e., one who is 18 years of age or older), who (1) has a mental or physical disability, and (2) is incapable of self-care because of that disability.

	FAMILY MEDICAL LEAVE ACT (FMLA) EXPANDED FAMILY & MEDICAL LEAVE	EMERGENCY PAID SICK LEAVE (EPSL)
Pay	First 10 days of leave is unpaid. However, employees may use accrued leave time for these 10 days (e.g., vacation, sick, non-elective or elective leave, EPSL, etc.) After the 10th day, employee is paid the greater of 1) two-thirds of their regular rate of pay, or 2) two-thirds of their current wage for the hours the employee would have regularly worked. Maximum Pay: An employee's pay cannot exceed $200 per day and $10,000 in total.	If leave is taken for reasons 1, 2 or 3 above: • Employee is paid their regular rate of pay or their current wage, whichever is greater. • An employee's maximum pay cannot exceed $511 per day and $5,110 in total. If leave is taken for reasons 4, 5 or 6 above: • Employee is paid two-thirds of their regular rate of pay or two-thirds of their current wage, whichever is greater. • An employee's maximum pay cannot exceed $200 per day and $2,000 in total. The remaining one-third is unpaid leave; employees may not use accrued leave time to supplement the unpaid hours.
Relationship with Other Leaves	Employees are only entitled to up to 12 workweeks FMLA leave in total. That is, an employee may only take a total of 12 workweeks of leave during a 12-month period under the FMLA, including the leave provided by the Emergency Family and Medical Leave Expansion Act. Thus, if an employee has already exhausted their FMLA leave for their 12-month FMLA leave-year period, leave under the Emergency Family and Medical Leave Expansion Act does not provide the employee with an additional 12 workweeks of leave. **NOTE:** If an employee elects to take EPSL concurrently with this expanded FMLA leave in order to receive pay during the first ten days, the maximum cap for this expanded FMLA leave does not extend beyond the 12 week maximum.	Employees are not required to use other accrued leave prior to using this leave. Use of this leave does not count against an employee's paid leave accrual balances, such as accrued vacation leave, sick leave, etc. **NOTE:** Employees are entitled to EPSL regardless of how much leave they have taken under the expanded FMLA leave.
Request for Approval	Employees requesting approval for this leave must submit a request form to their department's Human Resources Office. When the need for leave is foreseeable, employees must notify their department of the need for leave when it is practicable to do so. Expanded family and medical leave is available only until December 31, 2020.	Employees requesting approval for this leave must submit a request form to their department's Human Resources Office. Employees approved for this leave must follow daily notification procedures required for absences in their department. Any unused leave does not carry over past December 31, 2020. Employees are not entitled to reimbursement for unused leave upon retirement, resignation, termination or other separation from employment.
